EXTERIOR

WOCA Exterior Oil is a natural treatment for new and previously oiled outdoor wooden surfaces. It provides a strong water and dirt-repellent surface, preventing the growth of mould and fungus, which makes it ideal for use around children and pets. The fast-drying oil provides UV protection and enhances the natural colour and grain of timber.

WOCA EXTERIOR OIL GREY
VITEX DECK

WOCA EXTERIOR OIL GREY
CEDAR CLADDING

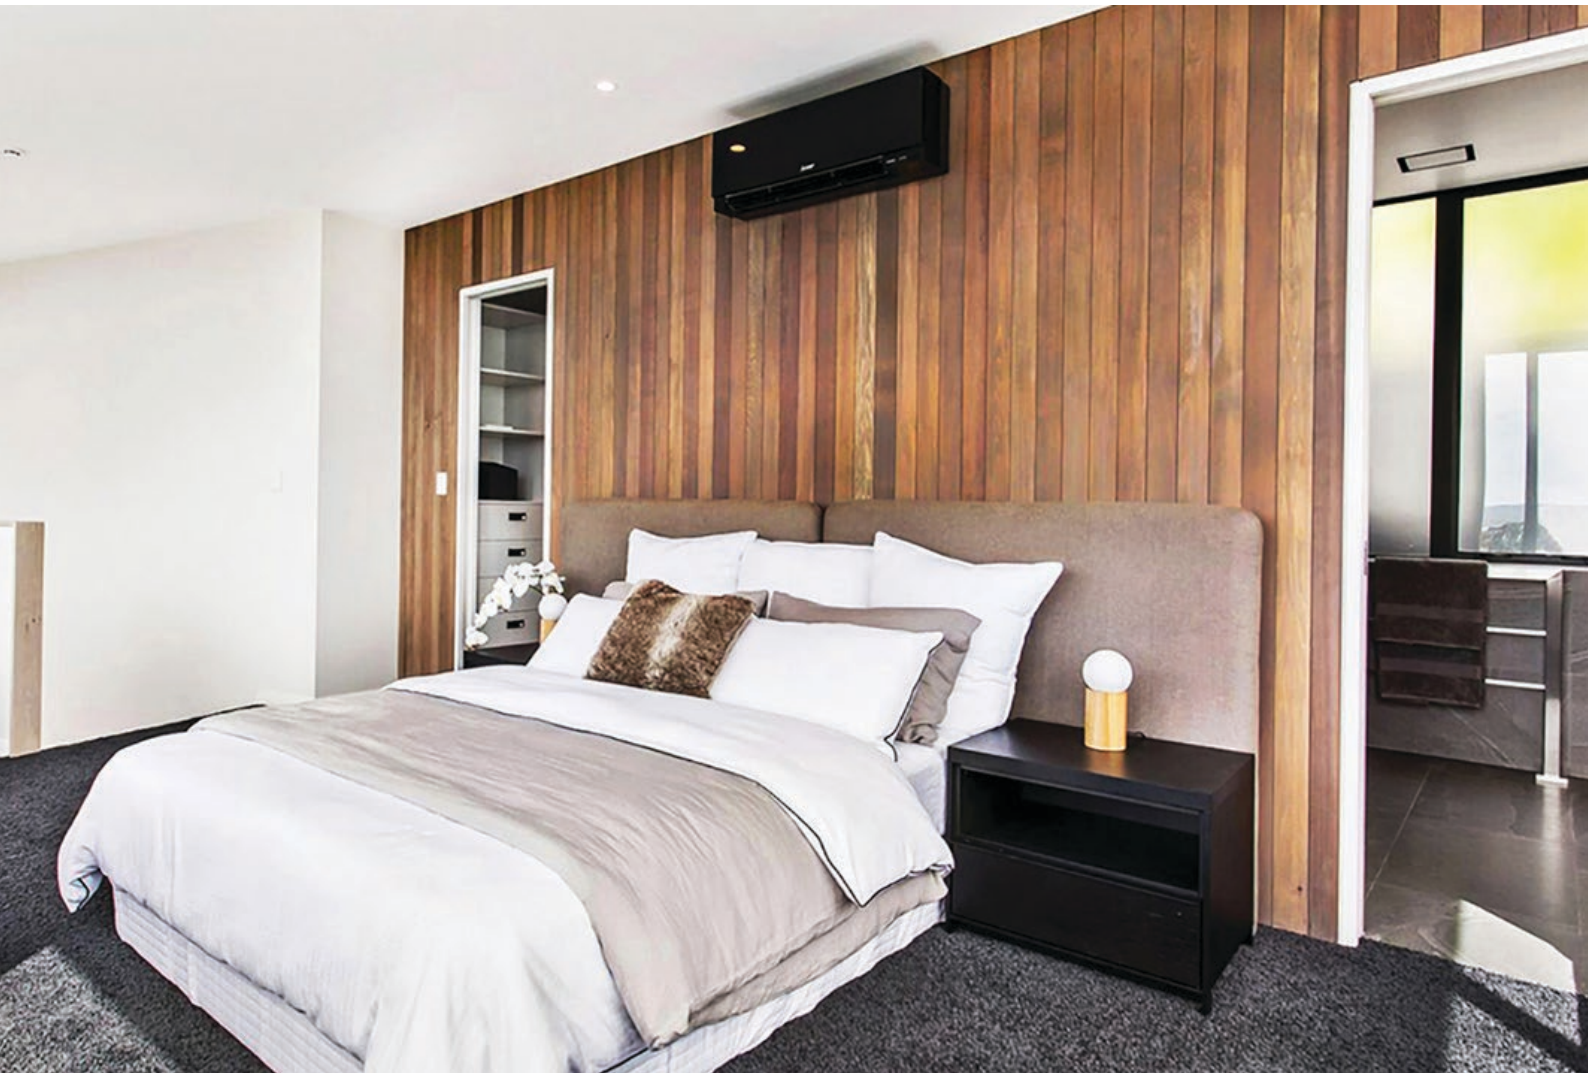

- Water-based, vegetable oil components
- Natural, sustainable and eco-friendly
- Low VOC (maximum 20g/L)
